

FINANCIAL
SERVICES

EXPRESSION OF INTEREST FOR DEVELOPMENT OF NAKURU PLOT AT NGEI 1, NGEI
11 AND MOHAMED KAHERO ESTATES

1.0 Background

CPF Financial Services Ltd (hereinafter referred to as CPF) is an administrator of pension schemes registered under the Retirement Benefits Act and is the administrator of the Local Authorities Pensions Trust (Laptrust DB Scheme) and the County Pension Fund (Laptrust Umbrella Retirement Fund) among other schemes. CPF is mandated to provide procurement and project management services to the Laptrust DB Scheme and will therefore process this procurement for and on behalf of the scheme, hereafter referred to as ‘the Trust’, the registered owner of the Property at **NGEI 1, NGEI 11 AND MOHAMED KAHERO ESTATES** within the Republic of Kenya.

The Trust is desirous of re-developing the properties, which will be undertaken in the following steps;

- Feasibility study
- Stakeholder engagement (County Governments and Estate’s Residents)
- Design & Development

To this end, the Trust is looking to partner with a potential investor in a joint venture arrangement where the investor is willing to finance the design and construction of the development as detailed in the Expression of interest document.

CPF invites interested Bidders as detailed in the expression of interest document. This Expression of Interest is open to both Local and International Bidders.

2.0 The Project Sponsor

The Lap-trust DB Scheme is the sole owner of the property that is to be developed through a Joint Venture.

3.0 Project Site

The site earmarked for development measures

| NO. | Plot Name | Acres |
|-----|----------------------------|-------|
| 1 | Mohamed Kahero block A | 0.429 |
| 2 | Mohamed Kahero block B,C,D | 1.391 |
| 3 | Mohamed Kahero block E,F,G | 1.163 |
| 4 | Ngei block 4/224 | 3.919 |
| 5 | Ngei block 4/237 | 2.767 |

4.0 Existing Development and Structure

The area has some existing structures

5.0 Project Component (Brief)

The Lap-trust DB scheme is the legal and registered owner of all that parcel of land situated **AT NGEI 1, NGEI 11 AND MOHAMED KAHERO ESTATES**. The scheme is desirous of partnering in development as may be advised by a detailed feasibility study. The scheme is therefore looking for a Strategic Partner/Investor who is interested in developing the property through a joint venture. The scheme's equity contribution in this case shall be land only.

The objective of the project assignment is to undertake a market survey and financial appraisal of the project, carry out detailed design, source for finance, construct, and propose the most ideal exit strategy. The organization shall provide the land for development and shall not be involved in developing the property but only be involved in overseeing the project progress as a joint beneficiary of the final returns.

A Joint Venture model with the Strategic Partner will be applied to undertake the development. The organization will adopt an arrangement where the Strategic Partner shall at their own cost:-

- (i) Provide a detailed market and financial feasibility study report
- (ii) Provide proposals for best use development
- (iii) Provide conceptual designs, drawings and layouts
- (iv) Provide cost estimates based on the conceptual designs, drawings and layouts
- (v) Propose an ideal financing strategy and detailed work plan as well as a marketing plan in line with the proposed exit strategy
- (vi) Provide proposals for best fee sharing under the Joint Venture
- (vii) Provide a proposal of humanely dealing with existing tenants to vacate the premises wilfully in order to enable peaceful development of the property.

6.0 Terms of Engagement

The terms of engagement shall be;

- (i) Establish market and financial viability of the project
- (ii) Implement the project through a Joint Venture
- (iii) Responsible for designing, financing, and building, implementation of the agreed exit strategy
- (iv) Strategic Partner should be a consortium of key professionals experienced developers and experts required to execute the project.
- (v) Indicate clearly the lead partner in the company

7.0 Technical Specifications

The specifications are as below;

- (i) Demonstrate ability to carry out detailed market feasibility and financial appraisal.
- (ii) Provide visual representations of the overall design of the entire project in accordance with all applicable laws that may be deemed optimal for that location.
- (iii) Present a site inventory and analysis that will form their design concept.
- (iv) To provide a summary of capital cost breakdown based on the conceptual designs
- (v) To provide a detailed project financing plan and an exit strategy
- (vi) Develop a project risk management framework highlighting the key project risks and propose mitigating measures.
- (vii) To prepare an implementation schedule for the project;
- (viii) To highlight any further features that would make the development distinctive within a niche market.
- (ix) The strategic partner may offer suggestions and improvements in the technical specifications that would result in better implementation of the assignment

To Note:-

8.0 Evaluation Criteria

Interested firms should provide information demonstrating that they have the required qualifications and relevant experience to perform the services.

MANDATORY REQUIREMENTS

[Bidders who fail to attain the mandatory requirements shall have their Expression of Interest disqualified]
