Each responsive proposal will be given a technical score (St). Actual score points are provided in the Appendix "ITC". A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix "ITC".

2.8 Public Opening and Evaluation of Financial Proposal

- 2.8.1 After Technical Proposal evaluation, Scheme shall notify those Consultants whose proposals did not meet the minimum qualifying mark or were considered non - responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. Scheme shall simultaneously notify the Consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those Consultants who choose to attend. The notification may be sent by registered letter, cable, telex, facsimile or electronic mail to invite the bidder for opening ceremony.

The name of the consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. Scheme shall prepare minutes of the public opening.
- 2.8.3 The evaluation committee will determine whether the financial proposals are complete (i.e., whether the consultant has cost all the items of the corresponding Technical Proposal) and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the financial proposal as submitted shall prevail.

charts indicating activities, staff periods in the field and in the head office, staff -months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. - 2.9.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no fees breakdown).
- 2.9.4 Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, Scheme expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, Scheme will require assurances that the experts will be actually available. Scheme will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.
- 2.9.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations Scheme and the selected firm will initial the agreed Contract. If negotiations fail, Scheme will invite the firm whose proposal received the second highest score to negotiate a contract.
