Each responsive proposal will be given a technical score (St). Actual score points are provided in the Appendix "ITC". A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix "ITC".

## 2.8 Public Opening and Evaluation of Financial Proposal

- 2.8.1 After Technical Proposal evaluation, Scheme shall notify those Consultants whose proposals did not meet the minimum qualifying mark or were considered non - responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. Scheme shall simultaneously notify the Consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those Consultants who choose to attend. The opening date of the financial proposal shall be after completing technical evaluation. The notification may be sent by registered letter, cable, telex, facsimile, or electronic mail to invite the bidder for opening ceremony.
- 2.8.2 The Financial Proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name of the consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. Scheme shall prepare minutes of the public opening.
- 2.8.3 The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has cost all the items of the corresponding Technical Proposal) and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the financial proposal as submitted shall prevail.
- 2.8.4 While comparing proposal prices between local and foreign firms participating in a selection process in financial evaluation of proposals, firms incorporated in Kenya where indigenous Kenyans own 51% or more of the share capital shall be allowed a 10% preferential bias in proposal prices. - 2.9.2 Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. Scheme and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly defining the inputs required from Scheme to ensure satisfactory implementation of the assignment.
- 2.9.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no fees breakdown).
- 2.9.4 Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, Scheme expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, Scheme will require assurances that the experts will be actually available. Scheme will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.
- 2.9.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations Scheme and the selected firm will initial the agreed Contract. If negotiations fail, Scheme will invite the firm whose proposal received the second highest score to negotiate a contract.

2.9.6 Scheme shall appoint a team for the purpose of the negotiations.

## 2.10 Award of Contract

2.10.1 The Contract will be awarded following negotiations. After negotiations are completed, Scheme will promptly notify other Consultants on the shortlist that they were unsuccessful and return the Financial Proposals of those Consultants who did not pass the technical evaluation.

2.10.2 The selected firm is expected to commence the assignment on the date and at the location specified as per contract.

2.10.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.
