iii. " Contract" means a legally binding written agreement signed between CPF Financial services and the Consultant and includes all the attached documents listed in Conditions of Contract.

iv. "Personnel" means an individual professional whose skills, qualifications, knowledge, and experience are critical to the performance of the Services underthis Contract and whose CV is taken into account in the short listing the Consultant's invited to submit proposals.

v. "Non-Key Personnel" means an individual professional provided by the Consultant who is assigned to perform the Services or any part thereof under the Contract and whose CVs are not evaluated individually.

vi. "Proposal" means the Technical and Financial Proposal of the Consultant.

vii. "Services" means the work to be performed by the Consultant pursuantto the Contract.

viii. "TORs" means the "Terms of Reference" that explain the objectives, scope of work, activities, and tasks to be performed, respective responsibilities of CPF Financial services and the Consultant, and expected results and deliverables of the assignment.

2.1 Introduction

2.1.1 The Client named in the Appendix to "ITC" will select a firm among those invited to submit a proposal, in accordance with the method of selection detailed in the appendix.

2.1.2 The Consultants are invited to submit a Technical Proposal and a Financial Proposal, as specified in the Appendix "ITC" for consulting services required for the assignment named in the said Appendix.

2.1.3 The Consultants must familiarize themselves with local conditions and take them into account in preparing their proposals. To obtain firsthand information on the assignment and on the local conditions, Consultants are encouraged to liaise with Scheme regarding any information that they may require before submitting a proposal.

2.1.4 Scheme will provide the inputs specified in the Appendix "ITC", assist the firm in obtaining licenses and permits needed to carry out the services and make available relevant project data and reports.

2.1.5 Please note that:

i. the costs of preparing the proposal and of negotiating the Contract are not reimbursable as a direct cost of the assignment; and
ii. Scheme is not bound to accept any of the proposals submitted.

2.1.6 Scheme's employees, committee members, board members and their relatives (spouse and children) are not eligible to participate.

2.1.7 The procuring entity shall allow the tenderer to download the RFP document free of charge.

2.2 Clarification and Amendment of RFP Documents

2.2.1 Consultants may request a clarification of any of the RFP documents only up to seven [7] days before the proposal submission date. Any request for clarification must be sent in writing by paper mail, or electronic mail to Scheme's address indicated in the Appendix "ITC". Scheme will respond by electronic mail to such requests and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all invited Consultants who intend to submit proposals.

2.2.2 At any time before the submission of proposals, Scheme may for any reason, whether at his own initiative or in response to a clarification requested by an invited firm, amend the RFP. Any amendment shall be issued in writing through addenda. Addenda shall be sent by mail, cable, telex or facsimile to all invited Consultants and will be binding on them. Scheme may at his discretion extend the deadline for the submission of proposals.

2.3 Preparation of Technical Proposal

2.3.1 The Consultants proposal shall be written in English language

2.3.2 In preparing the Technical Proposal, Consultants are expected to examine the documents constituting this RFP in detail. Material deficiencies in providing the information requested may result in rejection of a proposal.

2.3.3 While preparing the Technical Proposal, Consultants must give particular attention to the following:

(i) If a firm considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or sub- consultancy as appropriate. Consultants shall not associate with the other Consultants invited for this assignment.

Firms associated in contravention of this requirement shall automatically be disqualified. In all cases the shortlisted firm must ensure that proposed key staff do not appear on the proposal of any other shortlisted firm. Firms with proposed key staff in contravention of this requirement shall automatically be disqualified.

(ii) For assignments on a staff-time basis, the estimated number of professional staff-time is given in the Appendix. The proposal shall however, be based on the number of professional staff-time estimated by the firm.

(iii) It is desirable that the majority of the key professional staff proposed be permanent employees of the firm or has an extended and stable working relationship with it.

(iv) Proposed professional staff must as a minimum, have the experience indicated in the RFP to Information to Consultants, preferably working under conditions similar to those prevailing in Kenya.

(v) Alternative professional staff shall not be proposed and only one Curriculum Vitae (CV) may be submitted for each position.

2.3.4 The Technical Proposal shall provide the following information using the attached Standard Forms.

(i) A brief description of the firm's organization and an outline of recent experience on assignments of a similar nature. For each assignment the outline should indicate *inter alia,* the profiles of the staff proposed, duration of the assignment, contract amount, consulted farm's acreage and firm's involvement.

(ii) Any comments or suggestions on the Terms of Reference, a list of servicesand facilities to be provided by Scheme.

(iii) A description of the methodology and work plan for performing the assignment.

(iv) The list of the proposed staff team by specialty, the tasks that would be assigned to eachstaff team member and their timing.

(v) CVs recently signed by the proposed professional staff and the Authorized representative submitting the proposal. Key information should include number of years working for the firm/entity and degree of responsibility held in various assignments during the period stated in the technical evaluation criteria.

(vi) Estimates of the total staff input (professional and support staff-time) needed to carry out the assignment supported by bar chart diagrams

showing the time proposed for each professional staff team member.

(vii) A detailed description of the proposed methodology, Staffing and Monitoring of training.

(viii) Any additional information requested.

2.3.5 The Technical Proposals shall not include any financial information.

2.4 Preparation of Financial Proposal

2.4.1 In preparing the Financial Proposal, Consultants are expected to take into account the requirements and conditions outlined in the RFP documents. The Financial Proposal should follow Standard Forms (Section D). It lists all costs associated with the assignment including (a) remuneration for staff (in the field and at headquarters), and; (b) reimbursable expenses such as subsistence (per diem, housing), transportation (international and local, for mobilization and demobilization), services and equipment (vehicles, office equipment, furniture, and supplies), office rent, insurance, printing of documents, surveys, and training, if it is a major component of the assignment. If appropriate these costs should be broken down by activity.

2.4.2 The Financial Proposal should clearly identify as a separate amount, the local taxes, duties, fees, levies and other charges imposed under the law on the Consultants, the sub-Consultants and their personnel.

2.4.3 Commissions and gratuities, if any, paid or to be paid by consultants and related to the assignment will be listed in the Financial Proposal Submission Form.

2.4.4 The Proposal must remain valid for 120 days after the submission date. During this period, the consultant is expected to keep available, at his own cost, the professional staff proposed for the assignment. The Scheme will make his best effort to complete negotiations within this period. If t h e Scheme wishes to extend the validity period of the proposals, the Consultants shall agree to the extension.

2.5 Submission, Receipt, and Opening of Proposals

2.5.1 The original Technical Proposal and Financial Proposal; shall be prepared in indelible ink. It shall contain no interlineations or overwriting, except as necessary to correct errors made by the firm itself. Any such corrections must be initialed by the persons or person authorized to sign the proposals.

2.5.2 For each proposal, the Consultants shall prepare the number of copies

indicated in Appendix "ITC". Each Technical Proposal and Financial Proposal shall be marked "ORIGINAL" or "COPY" as appropriate. If there are any discrepancies between the original and the copies of the proposal, the original shall govern.

2.5.3 The Tenderer is required to serialize all pages for each bid submitted.

2.5.4 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "TECHNICAL PROPOSAL," and the original and all copies of the Financial Proposal in a sealed envelope clearly marked "FINANCIAL PROPOSAL" and warning: "DO NOT OPEN WITH THE TECHNICAL PROPOSAL". Both envelopes shall be placed into an outer envelope and sealed. This outer envelope shall bear the submission address and other information indicated in the Appendix "ITC" and is clearly marked, "DO NOT OPEN, EXCEPT IN PRESENCE OF THE OPENING COMMITTEE."

2.5.5 The completed Technical and Financial Proposals must be delivered at The Submission address on or before the time and date stated in the "ITC". Any proposal received after the closing time for submission of proposals shall be returned to the respective consultant unopened.

2.5.6 After the deadline for submission of proposals, the Technical Proposal shall be opened immediately by the opening committee. The Financial Proposal shall remain sealed and deposited with a responsible officer of Scheme department up to the time for public opening of financial proposals.

2.6 Proposal Evaluation General

2.6.1 From the time the bids are opened to the time the Contract is awarded, if any consultant wishes to contact Scheme on any matter related to his proposal, he should do so in writing at the address indicated in the Appendix "ITC". Any effort by the firm to influence scheme in the proposal evaluation, proposal comparison or Contract award decisions may result in the rejection of the consultant's proposal.

2.6.2 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

2.7 Evaluation of Technical Proposal

2.7.1 The evaluation committee appointed by the Client shall evaluate the proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria as indicated in the Appendix

to Information to consultants. Each responsive proposal will be given a technical score (St). Actual score points are provided in the Appendix "ITC". A proposal shall be rejected at this stage if it does not respond to important aspects of the \ Reference or if it fails to achieve the minimum technical score indicated in the Appendix "ITC".

2.8 Public Opening and Evaluation of Financial Proposal

2.8.1 After Technical Proposal evaluation, Scheme shall notify those Consultants whose proposals did not meet the minimum qualifying mark or were considered non - responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. Scheme shall simultaneously notify the Consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those Consultants who choose to attend. The opening date of the financial proposal shall be after completing technical evaluation. The notification may be sent by registered letter, cable, telex, facsimile, or electronic mail to invite the bidder for opening ceremony.

2.8.2 The Financial Proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name ofthe consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. Scheme shall prepare minutes of the public opening.

2.8.3 The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has cost all the itemsof the corresponding Technical Proposal I and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal.In all cases, the total price of the financial proposal as submitted shall prevail.

2.8.4 While comparing proposal prices between local and foreign firms participating in a selection process in financial evaluation of proposals, firms incorporated in Kenya where indigenous Kenyans own 51% or more ofthe share capital shall be allowed a 10% preferential bias in proposal prices. However, there shall be no such preference in the technical evaluation of the tenders. Proof of local incorporation and citizenship shall berequired before the provisions of this sub-clause are applied. Details of such proofshall be attached by the Consultant in the financial proposal.

2.8.5 This shall be based on Quality and Cost Based Selection Method (QCBS).

2.8.6 The tender evaluation committee shall evaluate the tender within 21 days from

thedate of opening the tender.

2.8.7 Contract price variations shall not be allowed for contracts not exceeding one year(12 months).

2.8.8 Where contract price variation is allowed, the variation shall not exceed 10% of theoriginal contract price.

2.8.9 Price variation requests shall be processed by scheme within 30 days of receiving therequest.

2.9 Negotiations

2.9.1 Negotiations will be held at the same address as "address to send information to CPF Financial Services Ltd" indicated in the Appendix "ITC". The aim is toreach agreement on all points and sign a contract.

2.9.2 Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firmto improve the Terms of Reference. Scheme and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff -months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the "Description of Services" and form part of theContract. Special attention will be paid to getting the most the firm can offerwithin the available budget and to clearly defining the inputs required from Scheme to ensure satisfactory implementation of the assignment.

2.9.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no fees breakdown).

2.9.4 Having selected the form on the basis of, among other things, an evaluation of proposed key professional staff, Scheme expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, Scheme will require assurances that the experts will be available. Scheme will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

2.9.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations Scheme and the selected firm will initial theagreed Contract. If negotiations fail, Scheme will invite the firm whose proposal received the second highest score to negotiate a contract.

2.9.6 Scheme shall appoint a team for the purpose of the negotiations.

2.10 Award of Contract

2.10.1 The Contract will be awarded following negotiations. After negotiations are completed, Scheme will promptly notify other Consultants on the shortlist that they were unsuccessful and return the Financial Proposals of those Consultants who did not pass the technical evaluation.

2.10.2 The selected firm is expected to commence the assignment on the date and at the location specified as per contract.

2.10.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.10.4 The Scheme may at any time terminate procurement proceedings prior to notification of tender award and shall not be liable to any person for the termination.

2.10.5 Scheme shall give notice of the termination to all persons who submitted tenders of the termination within fourteen days of termination and such notice shall containthe reason for termination.

2.10.6 To qualify for contract awards, the tenderer shall have the following:

(a) Necessary qualifications, capability experience, services, equipment, and facilitiesto provide what is being procured.
(b) Legal capacity to enter into a contract for procurement.
(c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.
(d) Shall not be debarred from participating in public procurement.

2.11 Confidentiality

2.11.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the Contract.

2.12 Corrupt or fraudulent practices

2.12.1 The Scheme requires that the Consultants observe the highest standards of ethics during the selection and award of the consultancy contract and also during the performance of the assignment. The tender shall sign a declaration that he/she has not and will not be involved in corrupt or fraudulent practices.

2.12.2 Scheme will reject a proposal for award if it determines that the consultant recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.12.3 Further a consultant who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

APPENDIX TO INFORMATION TO CONSULTANTS (ITC)

The following information for procurement of consultancy services and selection of consultants shall complement or amend the provisions of the information to consultants, wherever there is a conflict between the provisions of the information and to consultants and the provisions of the appendix, the provisions of the Appendix herein shall prevail over those of the information to consultants.

Funding:	Laser Property Services Limited

B. Background

LASER, is transforming the way it works, thinks, and implement its projects as we enter the Decade of Action that calls for the acceleration of sustainable solutions to deliver on the customer centricity & operational excellence pillar Anchored in the 2024 to 2028 strategic plan.

LASER has also launched a digital strategy that sets out the vision for the evolution of the organization over the next three years, responding to a changing digital development landscape and the evolving needs of our partners and customers

In line with the Digital Strategy, LASER would like to create a digital platform to enhance its support to our non captive clients. The plat form will help strengthen the position of LASER as the backbone of facilities management and maintenance through out our client portfolio by leveraging on digital and technology solutions to drive operational excellence.

In addition, the platform will be used to serve the LASER stakeholders and partners regionally as well as to enhance the communication to efficiently deliver on the facilities management & maintenance mandate.

C. Objectives of the assignment

The System Developer will be an integral part of the LASER Digital Transformation and will support its mission through the application of responsive Web design and software programming.

The job includes coding, innovative design, and layout of the platform. The responsibilities include building the system starting from the prototype and the MVP all the way to completion in iterative manner, from the bottom up, fashioning everything from the home page to site layout and functions

Objectives of the assignment

- To effectively design and develop a digital platform as per the system requirements following all LASER polices and regulations as well as strictly guided by the Information Security Policy.
- Coordinate activities with the LASER facilities maintenance Team.
- Strengthen communication between LASER facilities maintenance team and its client.
- Automate the service request and billing process
- Efficient monitoring of LASER courier to ensure timely response and action to stakeholder requests
- Improved communication with LASER stakeholders

D. Summary of System Requirements

The system should support the following modules:

1. System Integration for Complaint Tracking

- Ensure the system enables tenants, building users, service providers, and auditors to log maintenance requests efficiently (Ticketing & Tracking System).
    - **Tenants:** Accommodate both residential and commercial tenants with varied needs (e.g., Man Apartment residents vs. Pension Towers users in CBD with offices and shops).
    - **Service Providers:** Provide automated reminders for defect liability expiration, upcoming service schedules, urgent request responses, and job card tracking, including late payments.
    - **Auditors:** Designate authorized personnel (supervisors, officers, and managers) to monitor and review operations.
- Implement a centralized dashboard for tracking complaints from notification to resolution, including a comments section for caretakers or **PFM** representatives.
- Enable automatic routing of requests to relevant departments (**Maintenance, PFM, Agency, Finance, or REIT Managers**) and, if necessary, the **CPF Admin** for major County offices and Headquarters where maintenance services are provided.

2. Preventive Maintenance Enhancements

- Incorporate scheduled inspections into the system, ensuring assistants, officers, and specialized technical teams log weekly, monthly, and daily inspections digitally.
- Implement automated alerts for missed inspections.
- Include a digital checklist and reporting tool for property conditions, integrating status updates on fire alarms, generators, sprinklers, and other critical systems.

3. Curative Maintenance Optimization

- Improve response time tracking from complaint logging to resolution (**e.g., automated notifications upon request logging, assessment, and resolution**).
- Standardize tenant feedback collection after maintenance work completion to enhance **BSC** documentation.
- Ensure the system categorizes repairs based on severity into three execution levels:
    - Internal Technicians: Handle minor issues requiring quick fixes.
    - External Service Providers: Execute repairs covered under operation and maintenance costs.
    - Specialized Contractors: Manage major works funded under capital expenditure.

4. Risk Management and Compliance Tracking

- Embed risk assessment parameters within the system, evaluating likelihood and impact scores for accidents, material quality, and customer dissatisfaction (accessible to PFM).
- Include compliance tracking for statutory requirements such as ISO audits, legal policies, building codes, and standards.

5. Real-Time Reporting & Dashboard Analytics

- Provide a user-friendly reporting interface that tracks maintenance trends and identifies problem areas across different properties.
- Generate automated reports on complaint frequency, resolution efficiency, and resource allocation.

6. User Access Levels & Data Security

- Ensure tiered access controls based on roles **(MFMS, PM, MPFM, and ED-LASER).**
- Implement audit trails to monitor edits, updates, and maintenance status changes securely.
    - Maintain a historical log of edited items to ensure accountability and prevent data distortion that could compromise integrity.
