The agreed work plan and final Terms of Reference will then be incorporated in the "Description of Services" and form part of the Contract. 2.1.32 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no fees breakdown).

2.1.33 Having selected the form on the basis of, among other things, an evaluation of proposed key professional staff, Scheme expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, Scheme will require assurances that the experts will be actually available. Scheme will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

2.1.34 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations Scheme and the selected firm will initial the agreed Contract. If negotiations fail, Scheme will invite the firm whose proposal received the second highest score to negotiate a contract.

2.1.35 Scheme shall appoint a team for the purpose of the negotiations.

1.9. Award of Contract

2.1.36 The Contract will be awarded following negotiations. After negotiations are completed, Scheme will promptly notify other Consultants on the shortlist that they were unsuccessful and return the Financial Proposals of those Consultants who did not pass the technical evaluation.

2.1.37 The selected firm is expected to commence the assignment on the date and at the location specified as per contract.

2.1.38 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request or any unforeseen delays.
